

Leaving a legacy gift to Sevenoaks School

SEVENOAKS SCHOOL
FOUNDATION

Remember Sevenoaks

Writing a will is your chance to provide for the people and the causes you care about most. Family and friends come first, so we are especially grateful to those who wish to remember Sevenoaks School with a legacy gift in their will.

Sevenoaks School receives different kinds and sizes of gifts in wills – legacies both large and small, shares, property, and works of art. All gifts are most thankfully received and will make a difference to the life of the school and its students long into the future.

If you plan to leave a legacy to Sevenoaks School and would like to notify us, please complete and return this card. Your information is held in the strictest confidence and does not commit you in any way or prevent you from amending your will in the future.

The 1432 Society

The 1432 Society recognises and thanks individuals who have notified the school of their intention to remember Sevenoaks School in their will. Members of the Society receive invitations to special events and updates on school life.

If you would like to find out more about how to remember Sevenoaks School in your will, please complete and return this postcard, or contact us by phone or email. We are always happy to have a confidential and informal conversation about your plans and wishes.

Thank you for considering a gift in your will for Sevenoaks School.

Ruth O'Hanlon

Director of Development, Sevenoaks School Foundation

My Legacy Gift

Yes, I have remembered Sevenoaks School in my will

Yes, I would like further information on how I can remember Sevenoaks School in my will.
